1. DCC Social Ride

We've got our first social ride for the year this Sunday. Info is on our facebook page at <https://www.facebook.com/events/2045609589047257/>, but basically...

6:30 am sharp start at Nightcliff Pool. Finishing at Cafe Central. 56 km clockwise route - 26-28 km/h ave. (route map attached). No drop ride, so we will regroup whenever necessary. Note: DCC membership not required but encouraged. All welcome. First bunch ride? Check out <http://darwincyclingclub.com.au/rides/bunch-riding-etiquette-for-cyclists-cycling-australia>

2. Finn Rd Team Time Trial

Entries are open for our first race for the year. More information and registration can be found at <https://dcc.tidyhq.com/public/schedule/events/18114-finn-road-team-time-trial>. You don't have to be a strong cyclist to ride this event, although you do need a Race membership (details in the link). As it says, if you don't have a team, that's no excuse as we can put you in one!

3. Hidden Valley Crit Training

This has been going for 4 weeks now and has been a huge success with numbers now in excess of 50, including some young riders. So we're able to run 3 or 4 grades each week. We are not charging entry fee for this, but because it is run as a club event and thus requires insurance and also because it costs the club quite a bit for venue hire, we are requiring riders to have [Cycling Australia membership](#), preferably through Darwin Cycling Club. A Ride Basic membership with DCC (\$60 for 12 months) is the minimum requirement, although a Full Ride membership gives you added coverage. I have attached a breakdown of different types of membership and their cost.

4. Sunbuild Top End Gran Fondo

This will be held on Sunday 19 August this year and plans are going full steam ahead. Sunbuild are our major sponsors again this year. We have a couple of changes in mind to make the ride safer and also a bit more of a challenge to hopefully attract more interstate participants. We are really trying to grow this event, so if you have cycling family and friends down south who may be considering coming up for a visit, please encourage them to tie it in with the Fondo. We plan to launch the Fondo next month, so keep an eye out for it!

5. Darwin Deckchair Fundraiser - Sunday 29 April

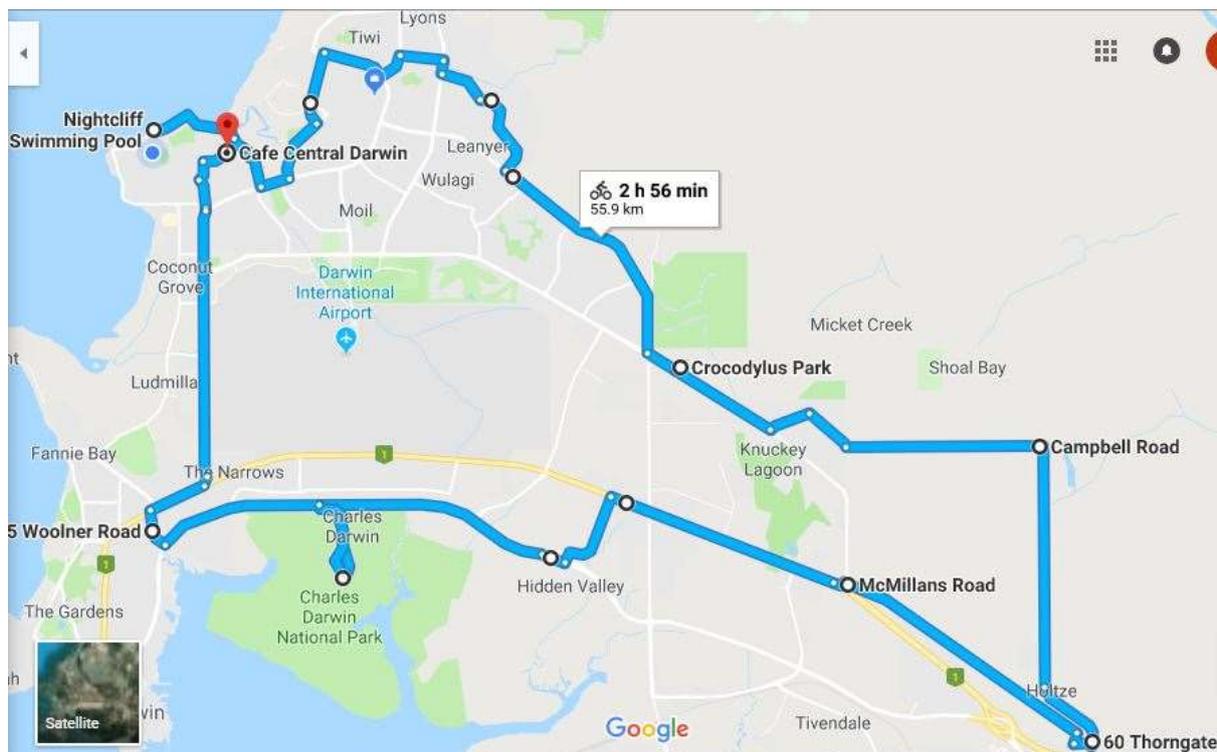

The club has been lucky enough to get a fundraiser night at the Darwin Deckchair Cinema. We are planning to screen "All For One", which documents the first five years of the GreenEDGE journey. Most cyclists will know what this movie is about, but you don't have to be a cyclist to enjoy it! Check out the [All For One Trailer here](#).

6. Help Needed!

As you can see, we have quite a few things happening this year. Thanks to those of you who have already told me that they're keen to get involved with the club - help out with some of the events, become a commissaire or do the coaching course that is coming up. We can especially do with volunteers to help out at our races (marshalling, sign on, drinks, etc), so please let me know if you can help out.

That's all. Remember, you can see our Events calendar for our Races, Social Rides, Hidden Valley crits (plus DORC and Darwin Tri events) on our website's [News tab](#) - direct link at <http://darwincyclingclub.com.au/news/dcc-calendar-2018>
